MEMORANDUM FOR: Chief, New Building Planning Office
Office of Logistics

FROM:

Chief, Safety Staff, DDA

SUBJECT: Sprinkler System in the
New Building Atrium

1. A member of the Safety Staff has reviewed the proposed sprinkler system design for the atrium in the new building addition. Although the system is not in compliance with the NFPA standard for the installation of sprinkler systems, we concur with the A/E fire protection engineer that the proposed installation is acceptable in view of the limiting conditions presented by the atrium design.

2. If there are any questions, or if additional information is required, please contact the Safety Staff on extension
